Healthy Beginnings

ARE YOU EXPECTING A BABY? Pregnancy is a special time for mom and baby, and taking good care of yourself is more important than ever. Obtaining medical care throughout your pregnancy will help your baby get a healthy start in life. That is an important responsibility, and one that Med-Cert would like to assist you in achieving. We are pleased to offer a Maternity Care Management Program, *“Healthy Beginnings”*. This program, available to you at no cost, will provide educational materials, a toll-free number to access the program, and support for you, as you need it throughout your pregnancy.
